

ÇUKUROVA IMAM HATIP SECONDARY SCHOOL

Our school has started education in the building no. 4, Belediye Evleri neighborhood, 84221 sk, built by the philanthropist Fazilet Kibritođlu, since the 2012 -2013 academic year. Since this building could not meet the increasing student demand due to its 11 classrooms, it was moved to its new building in Belediye Evleri Mahallesi 84242 sk No: 6/1 in 2020 under the name "Çukurova Imam Hatip Secondary School" and education continues in the same building.
